Reaching new heights for Thomas Homes

Vita Communications is encouraging potential purchasers to live the high life with the launch of Thomas Homes' spectacular new apartments in the former Water Tower of Park Prewett Hospital.

Located on the Limes Park development, within the heart of the much sought after conservation area of the north west edge of Basingstoke, the landmark Edwardian tower, which houses five apartments, is 32 metres (105ft) tall and has panoramic views of the Hampshire countryside from three sides of its penthouse apartment, which stretch as far as Reading.

In addition to the launch of The Water Tower, Vita Communications will also be raising awareness of the company's profile within the national, regional, local and trade media.
